ESSENTIALS
to optimise
your workshop

ROLL Workshop System

ROLL Workshop System

ESSENTIALS

to optimise your workshop

VERSATILE STORAGE

WORK COMFORTABLY
To increase the height from 842 to 1006mm, you have just to add a raise base. Ideal for standing job and optimize your storage space. Your roller cabinet finds a place under the work surface.
Drawers and doors with polypropylene handles

GREAT FINISHING

- Optional metal masking sides
- Optional pivoting jacks
- Epoxy powder paint - red 3020

SUPER EXPRESS INSTALLATION

Thanks to the self-standing structure, the units are fitted independently of walls. You can install your units wherever you want.

WORKTOPS

- 2 lengths : 1450 cm or 2175 cm
- 30 mm multi-ply beech

ACCESSORIES

Sides of the units can receive JETXL lateral accessories (see range of accessories in FACOM catalogue).

5 years

Base Units
